

## The Dual Process Method is an identification method to be used for seniors (67 & over) and minors (12-17) who do not have sufficient photo and secondary identification

### Identification Document Quality Requirements

Dual Process Documents must be from two independent and reliable sources:

- Valid (unexpired and signed, if appropriate)
- Original (not a photocopy, scanned or faxed document)
- Current (for dated documents such as statements or utility bills, the document should be the most recent available)
- Legible

When using the Dual Process Method, you can use any two of the following:

1. Name and address + name and date of birth [Column A + Column B]
2. Name and address + name and confirmation of financial account [Column A + Column C]
3. Name and date of birth + name and confirmation of financial account [Column B + Column C]
